

" 6 short tales of the south sea islands, each involving some white man's tragedy - loss of ambition, the lowering of standards, the gradual weakening of mental and moral fibers as a result of contact with the enervating life and less restrained civilization of the tropics"

- M.E. Speare PHD . Introduction

ECLECTIC ROOTS GROOVE TRIO. tasty guitar work.
smoky . soaring vocals. rockin' steady bass and drums.

TRUFFLES Dave Gerard & David Bailey, along with Kent Raine

This tasty, trio has been tearing it up for crowds in New England, Virginia, Colorado, and The U.S. Virgin Islands. Their infectious roots grooves, and strong songwriting will surely hook music-lovers on this follow-up tour., With the full band Truffie, DG & DB have toured all but 10 states, and have shared the stage with Dave Matthews Band, The Radiators, Widespread Panic, and The Band to name a few. DG, DB, and Kent have all had the privilege to perform with Phish and Little Feat as well. Come see them for yourself, and have yourselves a damn Good time!
