

Truffle Duo

“Five” (DG’s latest CD) is a celebration of sorts. It’s feel-good music with a message. From opener “Magical Day” to closing track, “As Good as it Gets,” what you’ll hear is inspired music percolating with energy, the kind of energy that comes from Gerard and the fresh approach of recording live tracks augmented by masterful flourishes from Payne’s studio presence and contributions.

“Gerard shows off his acoustic guitar mastery; with partner-in-crime David Bailey on bass, they supply just about all the musical sounds, melody, and rhythm, without even the remote need for drumming.”
